**CREDITORS RESPONSE TO DEBTORS' SEVENTH OMNIBUS OBJECTION TO CLAIMS
(AMENDED AND SUPERSEDED CLAIMS)**

NOW COME, NEVILLE EVANS and MARIBETH EVANS, Creditors in the above-styled cases and hereby respond to Debtors' Seventh Omnibus Objection to Claims (Amended and Superseded Claims) and show:

These Creditors object to Debtors' Seventh Omnibus Objection insofar as it objects to Creditors claim filed as claim number 5267 on November 16, 2012. Both the objection and the Notice of Hearing show that claim 5267 is to be disallowed and expunged , but it to be survived by claim number 5267.

It appears that Debtors propose to disallow this claim and at the same time have it be the surviving claim. These Creditors show that claim number 5267 should not be disallowed or expunged as same has not been amended or superseded. If anything, Claim Number 5267 amended or superseded claim number 4823, which was filed in the jointly administered case number 12-12020.

WHEREFORE, these Creditors pray that its claims not be disallowed and that the Court consider their objection to the Seventh Omnibus Objection to Claims.

This 8th day of July, 2013
